

Getting Married at St. Norbert Parish

Congratulations! We are happy that you are considering marriage in the Catholic Church.

Marriage is a sacrament.... a public sign where the couple vows mutual and lasting fidelity in the presence of the Church. In this sacrament the Lord pledges to be with the couple providing strength to live out their commitment. The couple's promise, made in the Church, provides the assurance of a faith community to deepen their relationship and provide structure to live the faith and pass it on to another generation.

There are many questions you may have regarding marriage and how to go about preparing and planning for a marriage in the Catholic Church.

We are here to assist you in preparing for married life. Preparation begins by contacting the parish office (847-272-7090) at least six months in advance of the date of your wedding. A meeting will be set with one of the priests of the parish to discuss the necessary steps you need to take on your journey to a lifelong marriage.
