

**Ladies of the Parish**

***REFOCUS  
Re-Energize  
Reconfirm the purpose of your life in Christ***

Learning how to be a faithful follower of Christ is at the heart of most believers. Too many distractions in our modern life distance God and His Love from us. The truly Good News remains that God is alive; He loves us more deeply than we could ever love and He longs for our return.

So in the words of Our Savior, we too invite you  
***"Come," he replied, "and you will see."***

***John 1:39***
